

SPELLING BEE

KG3 British

SECOND SEMESTER
2026 - 2027

Dear Parent/Guardian,

As an extension of the regular literacy program, students are invited to participate in JAD-IS Spelling Bee. This program will help to develop your child's vocabulary, learn new word definitions, and improve their reading comprehension, reasoning, and public speaking skills. Participation is voluntary and extracurricular. Students who join will be supported by their teachers and mentors. We will need a commitment from home to encourage some study time on a regular basis.
